

You only hear from
the others when
there is an election

Liberal Democrats keep in touch with you all year round through regular editions of the Spotlight newsletter. More than 200 editions distributed so far.

Already work is being done to prepare stories for future editions, which will include information about the following:-

Future editions of **Spotlight**

- The Kingsholm & Wotton division election result
- Progress on dealing with parking problem hotspots
- Update on the consultation on the Gloucester City Plan
- Funding available for local community groups to bid for
- Report on the outline permission for housing at Allstone's site off Myers Road
- Road and pavement repair projects

Jeremy HILTON - winning here 4th May

The voters of the Kingsholm & Wotton look set to back **Jeremy Hilton** as their county councillor – once again.

They know he works hard for our area and **gets things done**.

The **Corbyn led Labour party** is a **lost cause**.

Former Labour voters are unimpressed and are **switching to the Lib Dems**.

In Kingsholm & Wotton the **Tories** have given up. They just don't care about our area.

The strongest candidate is Jeremy Hilton – make sure you vote for him on 4th May.

Jeremy Hilton's pledges for Elmbridge, Kingsholm, Wotton & St. Oswald's Park

1. Fixing our roads and pavements

Making sure the county council fixes our roads & pavements is a top priority.

2. Saving the Civil Service Club land

This lovely green space in Kingsholm must be saved for sport & recreation.

3. A new comprehensive school in north Gloucester

The county council needs to ensure that there are enough school places.

4. Building new homes on brown field land

We have brown field sites that would be good for new homes, such as off Great Western Road & St. Oswald's Park etc.

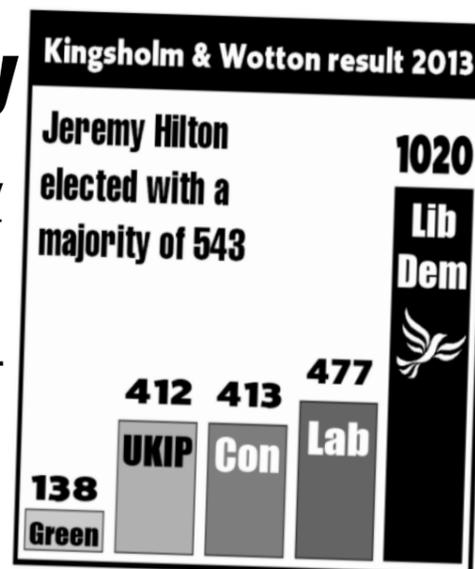

5. Keeping our streets clean & tidy

The Tory controlled city council needs to do better in sweeping our streets.

6. Supporting local community groups

Community groups can benefit from council grants.

Repairing our roads & pavements

Jeremy Hilton gives a thumbs up to the resurfacing of Hyde Lane

The Conservatives have been in charge at Shire Hall for twelve years. Only they can be blamed for the deteriorating state of the county's roads and footways.

We can all see it for ourselves, as we travel around Gloucestershire, there are potholes everywhere and our footpaths are crumbling away.

Something must be done! The £80 million backlog must be addressed.

Liberal Democrats will invest more funds to repair our roads

and pavements. We will introduce a dedicated budget for pavements.

In the Kingsholm & Wotton division we are fortunate to have a county councillor like Jeremy Hilton who has worked hard to get money directed at repair projects in our area.

Only recently, after a long-time, Jeremy secured funding to get Hyde Lane resurfaced.

It is a major pedestrian route from London Road to the hospital and it is now safe to walk on to get to a medical appointment.

Jeremy Hilton delivers for Elmbridge, Kingsholm, Wotton & St. Oswald's Park

Jeremy Hilton & the Lib Dem Spotlight team has a strong record in delivering for the Kingsholm & Wotton county division.

Whether its making our streets cleaner, greener or safer, residents know that it is the Lib Dems that get the job done.

Please vote for **Jeremy Hilton** on 4th May.

Jeremy has long supported plans for housing on the Allstone Sand & Gravel site.

Relocating the business and building houses here would be a planning gain.

First stage complete, next Allstone finds relocation site.

Jeremy is campaigning for a new comprehensive school for the north of Gloucester. He says it is ridiculous that 2000 children leave the city to go to school.

Jeremy has helped local groups get funding to support their activities. He plans to do more in the future.

Jeremy will do all he can to protect the former Civil Service Sports ground for sport and recreation.

John Peck, Deans Way says:

"The Liberal Democrats are the only party that gets things done around here. Labour are a lost cause. I'm voting for Jeremy Hilton, I don't want the Tories to win."

St. Oswald's Park resident Adrian Newton says:

"I urge everyone to vote for Jeremy Hilton. He works very hard for all of us. I always vote for him."

Bernie Fishpool, Swallow Park says:

"In 14 years living in this area I have found no other councillor who works as tirelessly for this community than Jeremy Hilton."
