Lib Dem Jeremy: Setting out a vision for Kingsholm

Jeremy HILTON

- a strong, hard working councillor for Kingsholm & Wotton

Well-known Lib Dem councillor Jeremy Hilton tells residents across Kingsholm & Wotton his priorities.

Jeremy said: "In the county council elections on May 4th there is a stark choice facing residents in Gloucestershire. "There are the Lib Dems campaigning in their local communities. "Or there are the Tories who have had 12 years in charge of the county council and have overseen rising council tax and cuts to services. "The Lib Dems are offering residents an alternative to the Tory austerity. They will ensure that Gloucester is served by high quality primary and secondary schools in all areas of the city. "They will create a dedicated budget for footpath repairs, which the Tory-run county council has neglected. They will also take highways back in-house. Many people across Gloucestershire are saying - it is time for a change."

Jeremy keeps in touch with local residents reporting back via his Spotlight newsletter.
